Parent Status Definitions:

STUDENT: For purposes of this category, a student must be officially admitted to UCF and *enrolled* in six semester hours of undergraduate or three hours of graduate coursework on any one of the UCF campuses. A student enrolled in at least the minimum number of hours of coursework during the Summer Semester, either Term A, B, C or D, will be considered enrolled for the entire Summer Semester.

EMPLOYEE: Faculty, Staff, A&P, USPS, or OPS, employed by UCF on a full-time basis, regardless of status at any rank. Part-time or adjunct will be considered part of this category but will not be given priority over full-time Faculty.

ALUMNI: Earned a Bachelor’s degree or higher from UCF.

COMMUNITY: Visiting Scholars, CMMS Students, or anyone that cannot be presently classified in one of the above categories.

IMPORTANT NOTICE: To be considered a student, you must be paying for classes. You may **not** be using the “free” 6 credit hour classes for UCF employees.

Parent Status Priorities:

What does this mean?

1st priority: **Student**

2nd Priority: **Employee**

3rd Priority: **Alumni**

4th Priority: **Community**

These priorities represent the first applications considered based on parent status. This means that if one with Student status were to apply at the same time or after one with Employee, Alumni, or Community status, the Student status application would still have first priority.
